Family Game Night

CVR provides:

- 1) A tub of cookie dough for you to have fresh-baked cookies
- 2) A host gift per household
- 3) Printable PDF postcard Family Game Night invitation
- 4) Evite and fb templates (see below)
- 5) Games if you need them

Host/Hostess provides:

- 1) Home
- 2) Drinks and other refreshments
- 3) Games (or you can borrow some of ours)

Suggestions to hosts:

- 1) While April 29 is our TARGET date, you can host your Family Game Night on another night if that is more convenient for you.
- 2) The intent of this evening is not fundraising. *Please don't feel you have to ask your friends for money.* While we know this party idea is similar to sales parties (ie Pampered Chef), we are trying to raise awareness and share the CVR story. You are welcome to share what you know, or you can just turn on a YouTube video we will be filming. (We'll send the link in the next couple of weeks.) We will mention the option to give since we do raise monies for our Ministry Leaders and Grieving Families retreats. However, the goal of Family Game Night is to get families spending time together in community while sharing the vision and mission of CVR. We do, of course, hope families will consider the possibility of coming to CVR sometime in the future for a Family Camp, and bring friends along, too!
- 3) Please post at least one picture of the families playing games on Instagram, FB, or Twitter. Use **#cvrfamily**. We will draw names a Grand Prize from the **#cvrfamily** picture posts to receive a gift card.
- 4) Please invite as many people as possible. As with most any type of party, likely, 7 or 8 will agree to come, which is a good number for relationship building, so that is great. Don't forget to include grandparents and others who can help spread the vision of CVR.
